

UCI selects Sopra HR Software as a strategic partner for personnel management

Unión de Créditos Inmobiliarios (UCI), the mortgage specialist, selected Sopra HR Software as a provider of solutions for HR administration, payroll and the collaborative workspace for all its employees, managers and HR professionals on a national level.

UCI chose to outsource its services via Sopra HR Software, through cloud processing, allowing it to remain in control of the processes and the dedicated optimized platform. This ensures management of personnel, calculation of the payroll and a collaborative environment, from Sopra HR Software, leader in the finance industry.

UCI thus continues the pursuit of its operational, quality and economic objectives for payroll management, by using Sopra HR Software's specialized services to:

- More efficiently **handle** personnel management and payroll processes, perfectly tailored to the financial environment.
- **Receive** the necessary support with Sopra HR Software as a strategic partner.

Montserrat Avilés, in charge of Personnel Management: "Sopra HR Software has the right solution for managing payroll in our sector because it is the key player in our country's finance industry. We also think that Sopra is the right partner for implementing our company's digital transformation strategy."

José Osante Rodríguez, Director of Outsourcing at Sopra HR Software España, comments: "We are proud to know that UCI selected us as their partner for the successful digital transformation of their Personnel management."

"We are proud to know that UCI selected us as their partner for the successful digital transformation of their Personnel management."

- Offers a product that is most suitable to the customer's needs and sets reasonable periodic rules in compliance with the revenues and expenditures indicated in the request.
- Provides the customer with all information on the mortgage, its characteristics and operation, during the preliminary study, but also during the entire operation.
- Has a team of dedicated professionals ensuring the best service to the customer. A team that can provide advice at any time on current or future needs.

Sopra HR Software is known for its commitment to its customers and its support. We will adapt to the customer's strategy and offer innovative solutions and services supported by continuous investments in the R&D of local solutions."

UCI is a financial institution, owned by Banco de Santander and BNP, specializing in mortgage loans. It is therefore subject to the supervision of the Banco de España (Bank of Spain). UCI's main line business is to provide home financing through professionals in the real estate industry. UCI has been the leader in providing mortgage loans since it was founded in 1989. It has offices in Portugal, Greece and Brazil.

Our company:

- Performs a thorough and cautious analysis of the loan requested by the customer based on relevant documents and information, estimates their ability to pay and also takes other circumstances into account.
